c) **Federal Funding Update**

- More information on April 7 statewide meeting.
- Current (26–27 SY): WIOA Title II (adult education) funding is fully intact and operating under the enacted FY26 federal budget—no cuts implemented.
- Right now (planning window): The FY27 federal proposal again calls for eliminating or consolidating WIOA II, but Congress has not decided yet, so funding for 27–28 SY remains uncertain, not cut.
- Forward outlook (27–28 SY): Adult ed funding is at real policy risk but historically resilient—most likely scenario is continued funding with pressure (flat or reduced), not outright elimination, pending Congressional action later in 2026.
- *This year*, we didn't know for certain about the 26–27 SY funding until *February 3, 2026*.
